

St Mary's Church, Ticehurst, TN5 7AB

The new church extension is growing fast, and the topping out ceremony will take place on 1st November at midday. We are still a little way from having raised the total cost, so we are asking you to 'buy' or sponsor a stone or slate for the building. Many people have done this already, and if you are among them, please ignore this letter. A book with the names of all who have contributed or of those they wish to commemorate will be kept in the church as a record of the donors.

Each slate costs £10 and the stones vary in price from £5 to £30. We invite you to contribute something for the building which will be a lasting memory for you or your family for many years to come. Please complete the form below, giving your name and address, and sign if you wish your donation to be gift aided.

Thank you for supporting the church; please join us for the topping out ceremony on November 1st.
